

# Start Your Own Gym Equipment Brand — Without Owning a Factory

Design-driven manufacturing with flexible minimums, your logo, your colors — production-ready in weeks.

## FLEXIBLE LOW MOQs

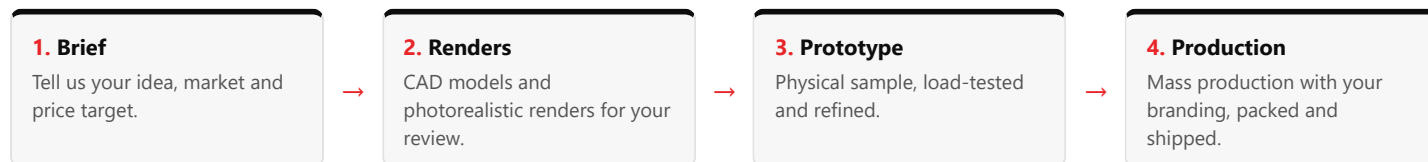

Typical minimum orders start from **20–50 units per product**. Exact MOQs are flexible and depend on the product type, materials, and level of customization — send us your product shortlist and we will confirm exact numbers within 48 hours.

## THREE WHITE LABEL TIERS — CHOOSE YOUR BRANDING LEVEL

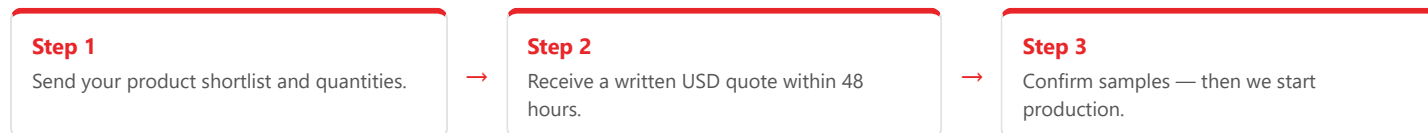

**FAST-TRACK CUSTOMIZATION:** Every product in our online catalog can be quickly customized with **your logo, your colors, your packaging and more** — everything you need to launch your own brand fast, on proven, production-ready designs.

| Tier                                | What You Get                                                                                  | Best For                                                      |
|-------------------------------------|-----------------------------------------------------------------------------------------------|---------------------------------------------------------------|
| <b>Tier 1</b><br>Logo Branding      | Your logo laser-engraved or applied as a badge on proven, production-ready products.          | Testing the market fast with the lowest investment.           |
| <b>Tier 2</b><br>Custom Color       | Tier 1 + custom frame colors (RAL color match) aligned with your brand identity.              | Brands that want to stand out on the gym floor and in photos. |
| <b>Tier 3</b><br>Full Private Label | Tier 2 + branded packaging, box labels, badges and accessories — a complete brand experience. | Established brands and studios ready for a premium launch.    |
